should've
gone to
parsons
mfa-dt

wait - how
did you do
this?
#magic

very
intricate

wait the
chair is the
controller?

leap motion

weird and i
love it

algorithmically
generated

subversive
use of
google api's

dope
shader
brah

talk to me
in 1.5 years

oooooo
shiny

I. T. P.!!!

google
cardboard
makes me
feel drunk.
