uncomfortable
fashion

omg i get
to ride a
_____ in vr

wait the
chair is the
controller?

my first 3d
printing
project

that dude
writes for
vice.

im in vr
and walking
around!

shiny data
viz.

o.m.g.
unreal

didn't make
it run
forever

kinectv2
as a
button.

machine
learning!

wait - how
did you do
this?
#magic

oh god -
cable
management

wait -
where's
the rest of
it?

#wearables

cant be
unseen

i broke it -
sorry

so weird.
