shiny data
viz.

dope
shader
brah

can you
feel it?

great idea
but running
at 10fps

gesturessss

kinect +
oculus =
motion
sickness

complex
tech demo!

best use of
processing!

that project

leap motion

overly
complicated
indicator
light

someone
playing
with the
wooden
mirror

I. T. P.!!!

so weird.

gratuitous
use of a
kinect

weird
oculus rift
game

im in vr
and walking
around!

omg i get
to ride a
_____ in vr

tech
integrated
fashion

so so
weird.

talk to me
in 1.5 years

already on
the blogs

i can see
your
menubar

gratuitous
use of
google
maps

gonna take
all our
jobs
