very  
intricate

kyle  
already did  
it

kind of  
disgusting  
bio art

wait - how  
did you do  
this?  
#magic

vr vr vr  
vr vr vr  
vr

cant be  
unseen

i cant stop  
playing this  
game

oooooooo  
shiny

needs  
brighter  
projection

gonna take  
all our  
jobs

sound art  
piece you  
can't hear  
properly

max msp  
jitter

I. T. P.!!!

first  
projection  
mapping  
project

webgl

so weird.

weird and i  
love it

gender  
bending

video loop

algorithmically  
generated

wait how  
did you  
make this?

example  
code

haptic  
feeeeed  
back

great idea  
but running  
at 10fps

a failed  
leap motion  
game
