video loop

that dude  
writes for  
vice.

gratuitous  
use of  
google  
maps

should've  
been a  
performance

i cant stop  
playing this  
game

soon to be  
ripped off  
by an  
agency

omg oculus

gratuitous  
use of a  
kinect

rgb-d wait i  
mean  
depthkit

60fps

wait where  
are the  
controls?

needs more  
speakers
