wait the
chair is the
controller?

kind of
disgusting
bio art

the cinder
app

#wearables

that dude
writes for
vice.

can you
feel it?

omg oculus
rift

best use of
processing!

kinectv2
as a
button.

I. T. P.!!!

i cant stop
playing this
game

wait where
are the
controls?

so weird.

machine
learning!

but why?

shiny data
viz.

very
intricate

gratuitous
use of
google
maps
