rgb-d wait i  
mean  
depthkit

unity? you  
made this  
in unity?

hide yer  
curser

soon to be  
ripped off  
by an  
agency

talk to me  
in 1.5 years

i cant stop  
playing this  
game

kind of  
disgusting  
bio art

wait how  
did you  
make this?

machine  
learning!

omg i get  
to ride a  
\_\_\_\_\_ in vr

that project

kinect +  
oculus =  
motion  
sickness

I. T. P.!!!

i broke it -  
sorry

so weird.

a.i. art  
(youre  
gonna kill  
us all)

webgl

im in vr  
and walking  
around!

oooooo  
shiny

wait the  
chair is the  
controller?

tech  
integrated  
fashion

dat lighting  
doh
