

# I T P G O

weird  
screen

the cinder  
app

unity? you  
made this  
in unity?

complex  
tech demo!

wait where  
are the  
controls?

wait how  
did you  
make this?

uncomfortably  
personal  
story

subversive  
use of  
google api's

great idea  
but running  
at 10fps

haptic  
fееееed  
back

kind of  
disgusting  
bio art

where are  
you in this  
piece?

I. T. P.!!!

gesturessss

gonna take  
all our  
jobs

projection  
mapped 3d  
printed  
sculpture

kinectv2  
as a  
button.

oooooooo  
shiny

weird and i  
love it

weird  
oculus rift  
game

best use of  
of!

tech  
integrated  
fashion
