oh god -  
cable  
management

kinectv2  
running on  
a mac

hide yer  
curser

insightful  
social  
intervention  
piece

but what  
does it  
mean?

leap motion

overly  
complicated  
indicator  
light

tech  
integrated  
fashion

but why?  
god why?

best use of  
mechanical  
turk

30fps

arduino  
powered  
synth

I. T. P.!!!

needs more  
speakers

dat lighting  
doh

i can't  
break it

gratuitous  
use of  
google  
maps

example  
code

should've  
gone to  
parsons  
mfa-dt

i cant stop  
playing this  
game

machine  
learning!

already on  
the blogs

done in the  
1960's

so so  
weird.

dope  
shader  
brah
