

I

T

P

G

O

my first 3d
printing
project

arduino
powered
synth

unity? you
made this
in unity?

algorithmically
generated

i cant stop
playing this
game

shiny data
viz.

very
intricate

uncomfortably
personal
story

tech
integrated
fashion

didn't make
it run
forever

so so
weird.

dat lighting
doh

I. T. P.!!!

overly
complicated
indicator
light

kinect +
oculus =
motion
sickness

too many
motorized

kyle
already did
it

i can see
your
menubar

but why?

gesturessss

wait -
where's
the rest of
it?

complex
tech demo!

computer
human
interaction

but what
does it
mean?

insightful
social
intervention
piece
